(Demo version will not be included on update). To avoid being charged by our system, try the demo version before buying. Please add your comments and feedback about ButtonWiz to our support forum below. Still good freeware for creating flash websites. Comments still good but seems outdated by Anonymous April 28, 2007 this is still the best free stuff for creating flash sites. by Anonymous April 28, 2007 I would upgrade to the full version but only for the unlimited figure of buttons. by Anonymous April 28, 2007 This used to be a great simple program. Then, the author started charging for it. That's ridiculous, now that the feature set is so great, the author should keep it free. by Anonymous April 28, 2007 great freeware by Anonymous April 28, 2007 I would like to see the change to today's standards. The progress on Facebook, for example, leaves a lot of room for improvement.
