The most extreme vehicle racing experience on Windows Phone. Get behind the wheel of a 1:1 scale replica of the new Polaris RZR Turbo S in a race against other drivers around the world. You can compete with the fastest XP Turbo S racers on the planet, or go head to head with them in a series of events in order to climb up the leaderboards. The XP Turbo S is a completely game-transformed vehicle from its already legendary previous version of the RZR® XP with many new features and improvements. You can upgrade it with 17 different parts that let you customize the XP Turbo S to your liking. You will need to choose between a difficulty level for the several racing modes: Adventure, Sprint, Drift, Drift Master, Championship, Championship Pole Position, Circuit, Grid, Race, Time Trial, Rally, and the special Off-Road Mode. Race against other players around the globe for the fastest time and climb the leaderboards. The XP Turbo S can run with four different driving modes: Sports, Normal, Street, and Wet. XP Turbo S is powered by the same award-winning physics and handling as the previous generation of the RZR and the AXS® System™. For the first time, XP Turbo S is available on Windows Phone, and now with even more of the features and improvements previously available only on the new Xbox One. Hello. My name is Konrad Hocke, co-founder and head of game development at KSPP Games. Welcome to the official KSPP Games blog. First, I would like to introduce the game to you. As a co-founder and head of game development, I mostly look after the details. However, my co-founders Steve O'Shaughnessy and Mike Fricker are the ones who are usually

## **What's new in OVERPASS™ Drive With Style:**

**Welcome to the Mission Viejo Cruiser Club. Mission Viejo Cruiser Club is located on the 38th Avenue of Mission Viejo. The club is conveniently located at 97040 - 38th Avenue St., just one street west of Old Towne Avenue. The club is one block north of Orange Coast College. The Mission Viejo Cruiser Club is one of a few low rider clubs in the OC. We're much smaller than the rest but on the upside we get to fit more cars and more cruisers under one roof. Groups Like the rest of the clubs in the area, we also offer a few different riding groups just for you to choose from. These are just a few of the groups we offer. If you would like to join one of the groups or look for one that already exists then click on the group below and hit the Join Now button. Once you're done there you can save your settings and find the group on the list on the left. Monthly Membership We offer monthly memberships as well. [Click Here](#) to see the pricing. You can call us for more information at (949) 514-3193. Membership Dues Don't Hurt In addition to having a monthly membership which works for you, we also offer the same price for a yearly membership. This is great for people that ride all the time but don't go every month or only go every so often. Word of mouth recommendations are very important. We're sure you'll get plenty around you. We have a lot of people that are signed up and never even come to the car show. What a shame. Mission Viejo Cruisers welcome in your neighborhood. The club is in front of Orange Coast College, a public campus. So if you're shopping or just want to hang out with friends or family, the best place to be is inside. Don't get stuck out in front of a car show. Just show up and be ready to ride. You'll love it. Riders of all levels are welcome. Come ready to cruise at 350 & 600+ MPH. The 1st tier is free and there's a free open bar for all levels. Remember: All cars welcome, regardless of year, model, or condition. Ride with us. We all cruise by the same pace and we stay close to each other. It's a blast. Then we all hang**
