We didn't have a great weekend. We were all in  
bed by 5:00 and running out of new information  
for the morning. It was quiet. But I had to do the  
laundry. I found some cute dresses. I made  
chicken noodle soup with oatmeal in it and ate  
it in bed. I just recently figured out how to make  
oatmeal. It's fun. It's easy. And you can't get  
better than oatmeal for a first time try. Here's

---

the recipe I found on the University of North Carolina site. It's the best chicken noodle soup I've ever had. This is how oatmeal is made: Mix a cup of steel-cut oats in a covered saucepan with one cup of water. Bring to a boil, cover, and reduce to a simmer. Let the oatmeal cook for 5 minutes. Add two cups of milk and cook for an additional 2 to 3 minutes. Stir in two packets of vegetable bouillon. This is it. It takes about ten to fifteen minutes to make, and just a couple of cups. Oatmeal is always healthy in my house. We didn't sleep much.
