"Eden Ring is a cooperative RPG with many features, and it is highly recommended!" Appunite "Reminiscent of the classic "Final Fantasy Tactics," this game offers a unique character growth system that allows you to flexibly select multiple costumes." Mobile Kou 2 "It's no exaggeration to say that Eden Ring features one of the best combat systems in the current gaming market, and all of its action takes place in a beautiful open world environment. Players can enjoy the beauty of the surrounding landscapes, but it is not content to simply remain on the ground. Players can jump up to fly with wings (with gravity, of course) and ride on mounts. The latter also allows the player to tackle vast parts of the world in a short period of time." Dawn of Girls Games "It's fun to play and easy to grasp, and the characters move really beautifully." Android Game

Review “[Eden Ring] didn’t disappoint with its exhilarating and beautiful battle system. The story is surprisingly enjoyable, and it’s also great to see a JRPG made from the ground up for mobile.” Android Game Review “Eden Ring is a must-download RPG that took us by surprise thanks to its incredible graphics and smooth gameplay.” Playcellus “If you have been on the fence about RPGs before, Eden Ring is the game for you.” DeSmuG 2 “[Eden Ring] is a little hard to get used to, but is a very fun game once you pick it up.” Cool Kitty Games “The game’s unique shooting gameplay is its biggest strength, and it’s unlike anything I’ve ever seen before.” Android Game Review “It’s hard to find a game like this today; it has a unique art style and play style with plenty of content and awesome features.” Android Game Review “Eden Ring’s action gameplay is incredible, and it has a fair amount of replay value.” Android Game Review “The story is fun, and its characters are adorable.” Smartphone Bigshot “ bff6bb2d33

ADVENTURES OF THE NINJA (Free) Go on an exciting adventure of ninja-like fights against characters with extraordinary skills, and enjoy a riddle-like gameplay. STORY ADVENTURES OF THE NINJA Ninja and gunplay mechanics intertwined to create a thrilling gameplay experience that requires strategic thinking. Modern warfare, with a dash of ninja skill mixed in. A STORY OF NINJA AND GUNPLAY The land has fallen under the devil's domination. You are a special agent who has been hired by the Royal House, and you are going to cleanse the evil. As you fight your way through the enemy's territory and discover the truth, you will have to go back and forth between your gun and your sword. All your movements become part of the battlefield, and you must work in tandem with your weapon to defeat the enemy and complete your mission. Whether you are shooting, stabbing, or slashing, you can use a variety of weapons and more than 100 types of attacks. GAMEPLAY OF NINJA AND GUNPLAY Your weapon skills and sword skills will work in tandem in the field of battle. All you have to do is use the right combination of attacks to defeat your opponents. Your sword skills and weapon skills will be helpful in defeating your enemies. Your aim should be to land a fatal blow to an enemy with one shot. Full of Japanese theater and Western action, your weapons will be fun to use and easy to control. When you are fighting against an enemy, you must be careful to not miss. All weapons, including the gun, will leave a trail that can be traced and your movements can also be traced, so move carefully and strike first. By using your sword to attack, you can keep your body from being attacked. You can use your sword to attack an enemy and simultaneously protect yourself, but you will be required to put some planning into it. Download now! Enjoy. Q: What is the difference between my chrome extension and another? I found two chrome extension, but i can't understand where is the difference. I just want to add a bit more functions to one of them. I tried to modified the the one that I find in the internet like this:

```
document.addEventListener('DOMContentLoaded', function () { var intervalTimer; var win = window; var body = document.querySelector('body'); var timer = document.createElement('div'); timer.className = 'timer'; body.insertBefore(timer, body.firstChild); document.removeEventListener('DOMContentLoaded', callback); function callback(){ var target = document.getElementById("success"); if(intervalTimer){ clearInterval(intervalTimer); } intervalTimer = setInterval(function () { body.classList.remove('success'); target.classList.add('success'); }, 5000); } setTimeout(function(){ console.log('
