AutoCAD Crack + (LifeTime) Activation Code [Updated-2022]

The standard version of AutoCAD is available for purchase, but AutoCAD LT (less expensive, time-limited) and AutoCAD Design Premium (more expensive) are also offered. Contents Standard version AutoCAD (and many other Autodesk software applications) can be purchased on a perpetual license or an annual or monthly subscription plan. The subscription option allows you to download the entire software package and update your own PC or download the latest version of the software as soon as it is released, without paying any additional fees. As an alternative to subscription, AutoCAD can also be purchased on a one-time purchase basis. Subscription AutoCAD can be purchased in monthly, quarterly, or annual plans. A one-time purchase also allows you to download all versions of AutoCAD (from AutoCAD Classic to AutoCAD 2016) on a single Windows PC. AutoCAD subscriptions are available for personal or work use. Depending on your subscription plan, you may be able to download the latest AutoCAD version from the Autodesk site or from authorized resellers at prices based on your subscription plan. You may also be able to download the latest AutoCAD version from a retail site that is not authorized. If you do not own AutoCAD, the full version can also be purchased on a perpetual license. A full price version of AutoCAD can also be purchased at any time. AutoCAD LT AutoCAD LT is a time-limited, annual subscription version of AutoCAD. The software license for the first year of the subscription is included in the license. After the first year expires, the software license is not renewed, and any installed versions of AutoCAD become obsolete. AutoCAD LT does not support the latest versions of AutoCAD or the Autodesk Design Suite. AutoCAD LT is also available in a perpetual license. AutoCAD LT can be purchased on a one-time purchase basis or on an annual or monthly subscription basis. You can download the latest AutoCAD LT version on your PC or from an authorized reseller at a price based on your subscription plan. Plan pricing AutoCAD LT can be purchased on a one-time purchase basis or on an annual or monthly subscription basis.
