Categories Popular adult board Because it is the 2nd part of the game and if you get full edition of "Meet & Fuck (female version) 2. In fact, this part of the game is still very new and full of beta. There are many new features and bug fixes that will be there in the next update. If you want to read about them you can check this thread:. Anyway, the story is pretty much the same, you are still the teacher of a high school. This time it is all about your sex life with your students. One of your students, Katie, has really huge crush on you. First she tried, but you've always had a hard time to let her some action, because there were other students you wouldn't want to screw. However, now she is sure that you'll take care of her and you only have to wait for her to finally confess to you that she's in love. She will be your new student. She will help you when you need to get some free time for yourself. Together with her you will answer the questions of the other girls and try to seduce them, while they will try to get at you. Girls who've never tried sex and seduction before are welcome, and even if you believe that you've experienced everything back in your high school days, you might want to go back and learn. This game is currently in beta. Fidelity is a game where you lead a monogamous dating life with different women, while trying to maintain discretion.. You have a job as a police officer, which you do very well. You work at the local precinct which is to say - you get to go out for a bit, flirt with some of the ladies in your social circle, and arrest the crooks. Like other date games, your job is to seduce the ladies, gain their trust, and then make the moves. For now, you get to choose from three different characters, and each of them has their own strengths. You are a pimp who hires out prostitutes, to make a living. You start with only one girl. You have to keep them happy, but earn enough money to buy more girls and keep the customers satisfied. Once you complete the story mode, you can plet to play
