

Download

Play the best free online hidden object games with hidden clues, hidden number games, hidden alphabet games and difference games.

In the game "Find the hidden numbers" you will find 100 levels, in each of which you need to find 12 numbers and add up the sum from them. Each found number is a clue that leads you to the next one. If you didn't find them, just go back to the previous level. There are so many different levels in the Find Hidden Numbers game, but they are all the same. You need to find 12 numbers and add their sum. If you decide to get a lot of points in Find the Hidden Numbers game, then you can use the hint.

Free Download Games Hidden Object Full Unlimited Version
