Plantillas Para Blogs

blog templates are guides to help you create an effective and sophisticated blog. a blog template gives you the structure of a blog. it lays out the elements of a blog. it provides a consistent look and feel for your blog posts. it provides ready-made sections such as your home page, sidebars, footers, etc. it gives you a set of ready-made elements that you can easily add to customize your blog. designed for people who get caught up in the day-to-day hustle and bustle of blogging. when i worked as a professional blogger for around 5 years, i did it all from scratch. on my own time. i did it because i had this crazy idea that if i could make all of that blogging stuff easy enough for people to just do it, that there would be dozens of bloggers doing it and it would mean an even bigger audience. the truth is, blogging is an easy gig. all you have to do is write. but as the old saying goes, you have to do something to get something. and blogging is no different. you need structure and you need to know what you want. thats why ive decided to create blogs templates. it will save you endless headaches and frustrations. basically, ive made blogging templates into something that is a lot more like a job than a hobby. theyre designed for people who get caught up in the day-to-day hustle and bustle of blogging. the goals i had for this book were to make it easy for people to learn how to blog, and to make it easy to make money. i wanted to create something that would bring people closer to each other, and make the blogging world a much more friendly place. i think that by organizing blogging into this template book, people will have a plan to follow that will save them lots of time and disappointment. these templates will save time for writers, and for bloggers too. they will help make their life a lot easier. best of all, the templates are designed to be used in html5, which means they will work well on any device. plus, the templates are mobile optimized. if youre a blogger who wants to get more mileage out of every word you write, you should check them out. they work! 5ec8ef588b
