It is capable of running MS DOS and Windows Windows application commands and scripts. It also enables you to run MS Windows batch files. The software is fully compatible with Windows 95/98/NT/2000/XP/Vista/7/8/8.1/10 (all 32-bit and 64-bit versions). Full online documentation, tutorials, support available via the provided web-based

tool. There is also an option to receive additional support via phone. Installs in just seconds - run the setup executable file (setup.exe) immediately after downloading. Use it for sharing your settings and process between multiple instances. The settings are stored in a XML file format (e.g. XML | CFG | TEXT) that can be imported using the standard Windows Import/Export (FILE | IMPORT | IMPORT | EXPORT).
