You can alter the text, color, etc. Our recent discussion about the whole Groupon thing sparked a bit of a debate and a flurry of comments and questions around the Web. As Brad has mentioned, there is some good news and some bad news for Groupon investors; and just in case you weren't aware of all the details, he's going to go into them here. It's a quick, but meaty, response, so we've made it a two part post. Part two will be up sometime later. If you're surprised by the investment by KKR and TPG, read this. If you're concerned about the quality of the news, read on. And if you're just curious about the whole Groupon thing, read on. Our first post focused on a few interesting developments coming from the Groupon world. If you missed the memo, Groupon is discontinuing email services and migrating to Google apps and a Google
